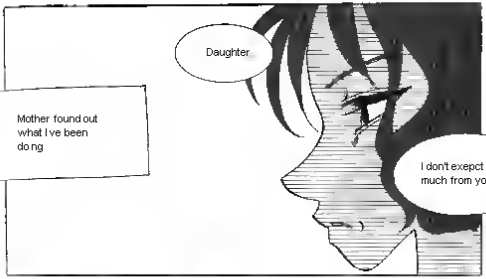
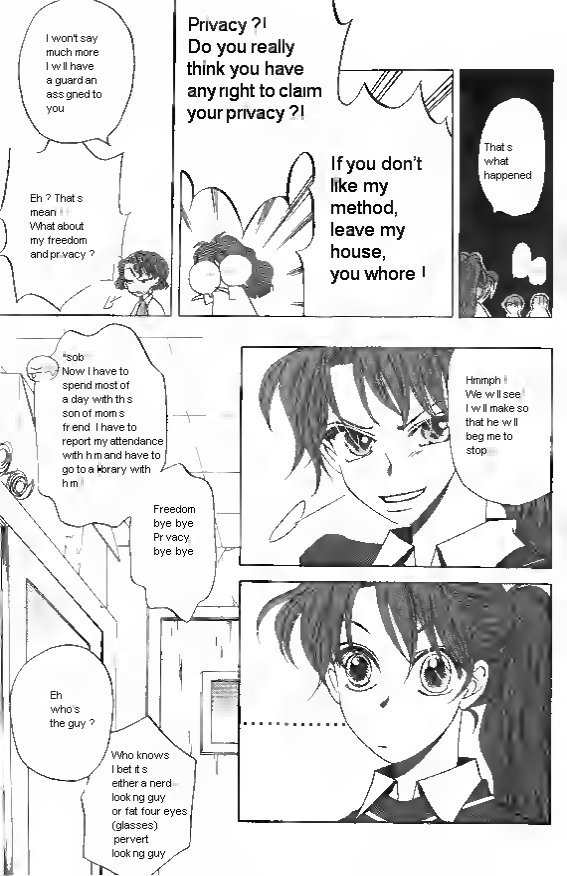
The worst thing of all was



She cut her hair



I won't say much more I will have a guardian assigned to you
Eh ? That's mean ! ! What about my freedom and privacy ?
Privacy ?! Do you really think you have any right to claim your privacy ?!
If you don't like my method, leave my house, you whore !
That's what happened
*sob Now I have to spend most of a day with this son of mom's friend I have to report my attendance with him and have to go to a library with him
Freedom bye bye Privacy bye bye
Hmmph ! We will see I will make so that he will beg me to stop
Eh who's the guy ?
Who knows I bet it's either a nerd looking guy or fat four eyes (glasses) pervert looking guy

My mom told me a lot of you I am Syeong-Yong Yu We are on the same grade
You are Ban Ha Geum, right ?

Mommy,

I love you !
Sigh

I thought I raised my only child okay. But it turns out that she is a whore.... Argh, damned world.
I wouldn't call her my daughter now. You would never NEVER believe what she has been doing.
But Ban Ha is a very cute girl.
I have three sons and no daughters. I'd love to have a cute daughter like her.
F ne..let s exchange I w ll ra se your son as f a prince.
Huh ? Haha
I am not jok ng. I am even w lling to gr nd her bones and dr nk it.
Sorry for the favor. Your son s a decent boy. I just hope my daughter won't be too much of bad nfluence.
I thank you rather. He s very pass ve. I want h m to learn few th ngs from Ban Ha.
What ?! I w ll d e of shame f my daughter r ns your son.
Don't worry. He sn't very easy either. I hate to say as h s mother..but trust me.

He is weird
Anyway, I was shocked to be honest I mean I didn't expect a cute guy like yourself.
I wonder why I haven't seen you before ?
I am not
Probably because I don't leave my club too often
She should have told me if it was going to be a cute boy
Thank you I will have fun eating him
Club?
Yes, I am in the art club
Oh So, you draw? I am really bad at art
Well I am not that good

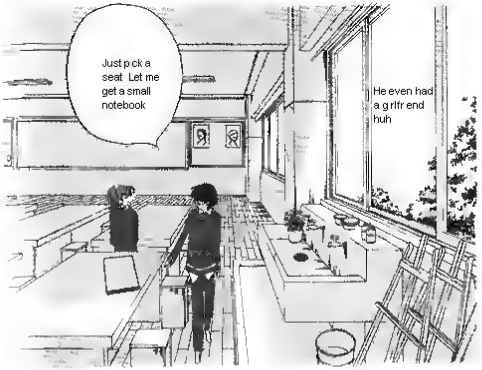
I will show
you the
dark side ~
You are the smartest
student in the school
I wonder why mom
told me to teach you
I was really nervous
at first
But your mother
told me that all I have
to do is just hang
around you
Besides I kind of
had a little interest
in you
Do you go
to any
private
institute?
Nope
you ?
Well just
few classes
about arts

Who ?
My ex girlfriend
What?
It s th s way



Just pick a seat Let me get a small notebook
He even had a girlfriend huh

You did these?
Yes
Not bad I Much better than you claimed to be
Actually, I made one before we met ....
A lot of people are much better than me I am just above average Now let s make a schedule

< Weekday schedule >

5 00 AM Get up
6 00 AM Get to school by 6
8 00 AM Go over study mater als
br efly before classes start

PM

School ends at 5 00 PM
We go to a pr vate nstitude
and study unt l 9 00 PM
And then we spend our t me
n a library until 12 00 AM
We have an hour to prepare
to sleep

About weekend schedule

For Saturday everyth ng s the
same unt l 3PM After 3PM
it s the same as Sunday s
schedule

< Sunday schedule >
6 00 AM Waking up
7 00 AM Get to a l brary
10 00 AM We go to a
pr vate nstitude

PM

We w ll be n a l brary by 3PM
and then we stay there until
11 PM We go home at 12 AM

I added few minutes of resting time in weekend schedule. Do you like it ?

W what what the hell s that ?
That s one murderous schedule !
You sleep for only 5 hours ?!
And there s no t me for anyth ng
else but study !
Are you a mach ne ?!

We could take short naps wh le mov ng
We do get l ke 15 m nutes of spare t me each clases
Th s schedule s actually pretty loose compared to m ne

Students study

He is a new kind of pervert !
Who in the world follows such a self-torturing schedule ?!

B, but that is too much for me !
I barely study for 2 hours everyday !
I can't follow this !

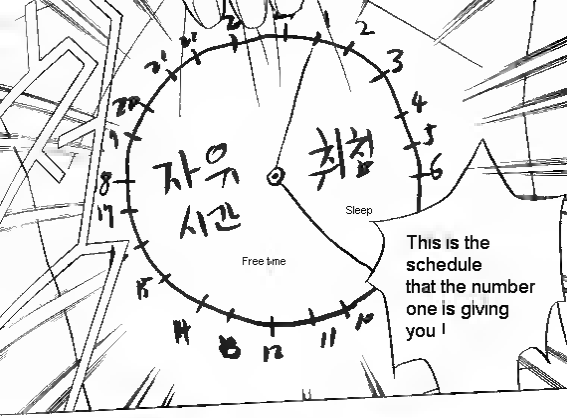
Really ?

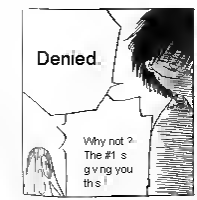
But your mother told me th s s your regular schedule
Ah I see what the old hag s up for
But you made a m stake
Is your grade good ?
Eh ?
How good s it ?
Ah well
Just tell me bro
How good s it ?
Ah um so
Don't be shy

What did you say ? 2nd in your class ?
A guy like this is an easy pray
N, no.
2nd in the school.

2nd in the school ?
Yes
Yes ! That is your limitation !
In our days, well-being is the first priority ! We play, we eat, we sleep we must keep entertaining ourselves ! With your schedule like that, you will never be the first of anything !
Really ?

I, the genius, am telling you !
Ban He s grade s the number one n the city
You only study when you feel sucky ♡





Damn it He s not fall ng for it

I had studied very hard since then Because I felt resented
And one day
Even at the next city exam, I was only the second again From what I heard there was someone who had no wrong answer
What? Full score again ?
I wondered who would that be ?
It was when I was a junior at middle school The city exam I did, I don't know if I was possessed or not but I had only one wrong answer My teacher and I were excited
But I wasn't the number one There was someone who even had a better grade than me
I didn't think it was a girl Furthermore, you didn't even seem to be excited about it.
To you, it was only obvious.
JanmeS

I admired you
I was struggling so
hard to keep up while
you looked as if you
rightfully deserved it
Since then I wanted
to see personally
I didn't think a good chance
like this would come
so soon though
So you
are gonna
let me go ?
I cannot
do that
So what?
Nothing ?
Why not!!
You just
sad you
admired
me
But still
I cannot

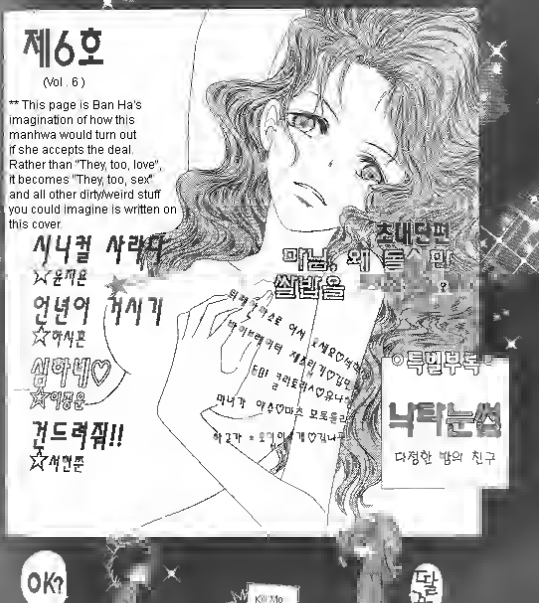
** This page is Ban Ha's imagination of how this manhwa would turn out if she accepts the deal. Rather than "They, too, love", it becomes "They, too, sex" and all other dirty/weird stuff you could imagine is written on this cover.



Ban Ha Geum, wait! Ban Ha!
Get away from me, you pervert!
Eh? A pervert? I am not!!
You just asked a girl whom you just met to be your nude model. That makes you a pervert!!
Go outside and kill yourself!
Please wait!
I thought I caught a gold fish. It turns out it was a rotten fish!!
Mom, I will curse you!!

The manager is already complaining that this series is trying to test boundaries
And now a new character asks me to be a nude model ?
I am a main character MAIN ! And still I have yet to have a service page !
You will probably appear in only this episode and disappear and you ask me to be what ? What dont you just turn this series into an adult comic ?
Um ...
I am not the author
Besides I thougnt modelling automatically meant nude modelling
I mean I wouldn't bother to ask if it was just modelling
Syeong Ryeong?

Ahah, my little brother. It's good to see you at school. Is that your girlfriend ?
No, she's auntie Jeong Hui's daughter
Hello
Real brother ?
Ah ! So, you are Ban Ha

If he knew he'd never go out with her even if he liked her. That's the kind of person he's

Jamines
www.jamines.com

So when she told me the truth I couldn't stop her

Your second brother is the one I like

I don't care even if you curse at me. I will be going out with him.

Was this planned?

.... No.
I just admired your brother a little.

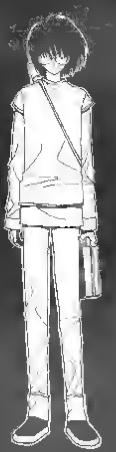
And then .

Sorry

But I did like you at that time.

My mind has changed now.

There was nothing more for me to say.



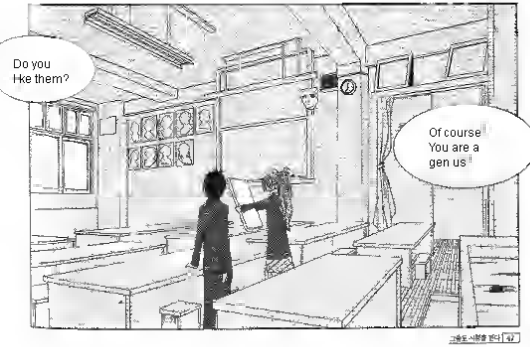
She was serious.
What more could I have sa d ? I s mply lost the v gor
I was cut off so clean that I wasn't even angry
I just felt lonely for a little wh le That was all

Don't look at
me like that
It was just fickleness

You are a good person, Ban Ha
No ?
Flatter all you want I a n't gonna be your nude model
Anyway...
Let's get along well.

끄~ 지

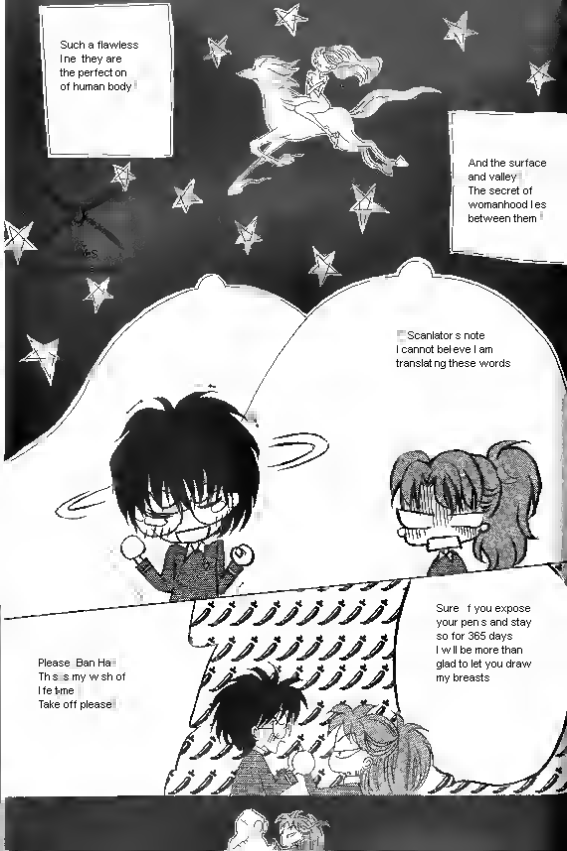
Wow !
Awesome !
You did all these ?!



Do you like them?
Of course ! You are a genius !

Will you let me do it now?
Ah ?
Adios ~
Why not ?!
We've been getting along so well It's not like they decay just because someone looks at them
Shut up !!
No means no !
Just because we've gotten to know each other a little you immediately ask me to take off my clothes ?!
But nude is art
Art my ass ! Yours is porn not art
Maybe this is why she was so angry as well
yeah my ex girlfriend
You asked this to another girl ?
No wonder she dumped you
How far did you go with her?
Had sex?
No !!
Bed was as far as we went

You see
I love women's breasts !
They are as b g as r ce bowls So you can hold them n your hands They are the perfect s ze
And on top of it, there s a n pple wh ch rem nds me of w ld berry



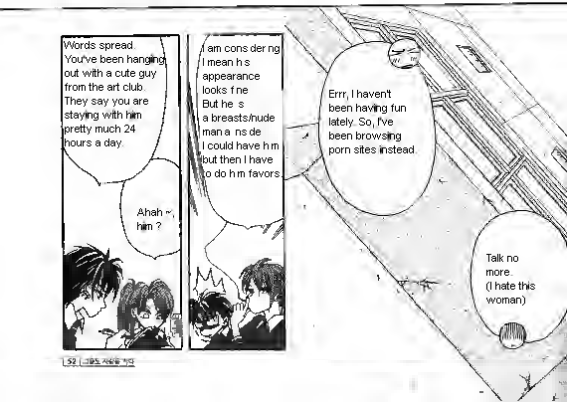
Such a flawless line they are the perfect on of human body!
And the surface and valley! The secret of womanhood lies between them!
Scanlator's note I cannot believe I am translating these words
Please, Ban Ha! This is my wish of life time! Take off please!
Sure if you expose your pens and stay so for 365 days I will be more than glad to let you draw my breasts

I hear you are dating a guy ?

A week maybe ?

No 365 days
No mo e no less

Ah ?



Words spread. You've been hanging out with a cute guy from the art club. They say you are staying with him pretty much 24 hours a day.
Ahah ~, him ?
I am cons der ng I mean h s appearance looks f ne But he s a breasts/nude man a ns de I could have h m but then I have to do h m favors

I am supposed to use this fomula... blah blah
Do you even look over your gang members grades?
Damn it I hate gangsters that study
What s wrong with my guys ?
Gangsters that study science ?! They suck ! If they are gangsters, they should be using their fists, not their brain !
You are just as bad as us and is the number one in this whole city ! Look who's talking !
I am as bad as whom ?! You are a jackass !
Those are fake breasts, right ?
I duel you !

헉 헉

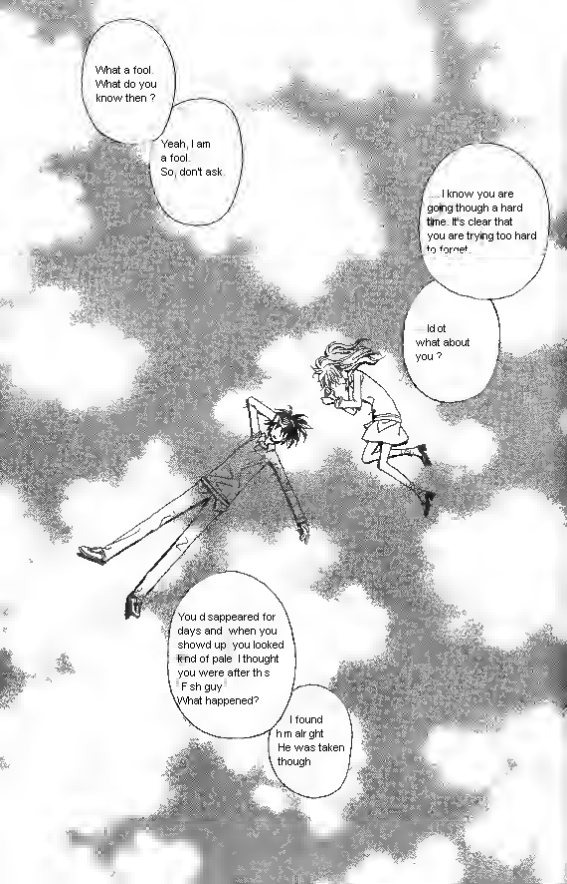
I don't know
Are you serious enough to forget Ui Moon ?
I don't know ....



What a fool. What do you know then ?
Yeah, I am a fool. So, don't ask.
...I know you are going though a hard time. It's clear that you are trying too hard to forget.
Id ot what about you ?
You d sappeared for days and when you showd up you looked kind of pale I thought you were after th s F sh guy ! What happened?
I found h m alr ght He was taken though

So you were dumped?
Well let s just leave it at that
Ahah
You and I have very bad luck n romance
But what can I do ?
To tell you truth I feel very jealous
There s no space for me between them

And there is no space for me in his mind.
But then where should my mind go ?
What?
Cheon Pa Ban Ha
Maybe I should become a bitch and break them up
Long time no see Why haven't you guys coming to the club lately?
Perhaps I should be happy that he went for one of my closet friends
Hey you two Have you been bad?

Ui Moon's gonna make noodle !

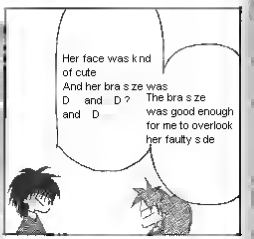
Doesn't she realize how much I liked her ?!

Isn't that obvious ? Of course, she doesn't know.

She just told you so
She only used you as a mean to get to your brother
What I want to know s how you ended up lk ng her

Well



Her face was k nd of cute
And her bra s ze was D and D ? and D
The bra s ze was good enough for me to overlook her faulty s de

When she gnored my cellphone messages and even calls, it was okay because she was D
When I asked her to go on a date with me she kept on making excuses She only smiled at me when I bought her expensive dresses But she was D
While we were going out, she kept on hitting on other guys But she was D So, I didn't care
When she dumped me a month later and went for my brother it was okay because she was D
My God
Am I really a breast otaku ?
The only good thing she has is D
But
The smile she showed me very rarely I liked it
And her black straight hair was pretty too

Although that smile was never directed at me

I am going to see my brother right now

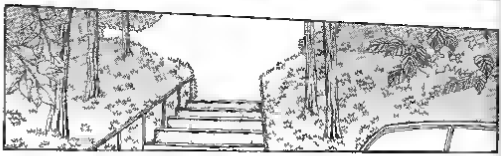
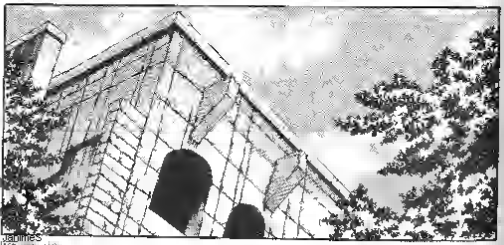
Ui Moon...

Myo Ryeong
What?
She was kidnapped

Guan Uoo Lee, what are you talking about ?



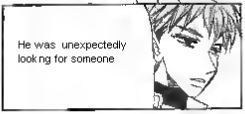


Jaimes
www.jaimes.com

You remember our home teacher in middle school?

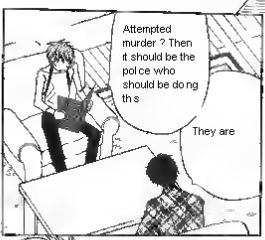
You met him ?!
Yes a while back He's working as a juvenile counselor now
One of my guys was being counselled by him So I knew

Teacher

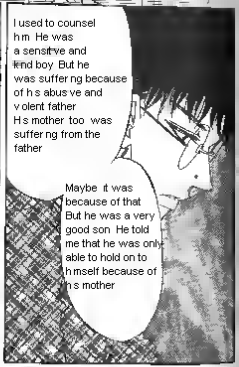


He was unexpectedly looking for someone

Sang Won Lee
18 years old
He s charged with
attempted murder



Attempted
murder ? Then
it should be the
police who
should be doing
this
They are



I used to counsel
him He was
a sensitive and
kind boy But he
was suffering because
of his abusive and
violent father
His mother too was
suffering from the
father
Maybe it was
because of that
But he was a very
good son He told
me that he was only
able to hold on to
himself because of
his mother

But I am asking
you to find him
before they do

He told me that he always carried a small knife with him He told me that he magnified murdering his father hundreds of time a day He also said he was carrying it in order to stop himself before he finally go insane
He said he was feeling his limitation I am not afraid of being a murderer But I cannot bear how my mother will take the news " he said
So, he finally attacked the father
No he hit his mother
Eh ? Why ?
I don't know
When they were found the father was beaten up good and was unconscious
And the mother was hit by a knife and was bleeding to death
And Sang Won
became the prime suspect
He hit me
What kind of son hits his own father
Hey detectives get him and throw him into a prison for good
What a hopeless fathe he is!

Right now he s sued by h s own father
and s a wanted cr m nal

It's over
Sang Won?
Is that you ?
What is it ?
Why are you
calling me at
this hour ?
Tell me
I am here
for you
Can I tell you
a little secret?

It was my mother who I hated.

I hated father, too, but not as much as I hated my mother.

... I really don't know what happened. But I still do not believe that it was him who did. There must be another story.

But knowing his personality, he may take all the charges and get punished So I must meet him before he is captured Before he breaks apart completely!

But the Sang Won I saw today was rather opposite of what you described

He seemed like just a typical criminal

Don't come any closer !
S, stop ! Sang-Won Lee !
If you come closer I will kill this bitch !
Turn yourself in ! Don't make this harder !
Start the car !
Hic !

Now !
No !
Stop !
At least let her go !
Myo Ryeong !

T, then ...
Myo Ryeong is .. right now ... !!

No !
But he was faster than me
I guess you don't want to live ?

He dragged me out here and took off my clothes and tried to kill me
But he was going to kill me anyway
Mister Myo Ryeong
The girl What happened to her
Ah her friends
She couldn't escape It was all because of me I was about to be killed but she saved me
She was smart and brave She told me to run away She said
Yah

I was too scared to thnk to even fight back
I could have faught h m with her

No I won't eat any other And f you take hostages you treat them well
Now g ve me my shr mp noodle
But those weren't on sale n store

Then at least get me kimchi How am I supposed to eat noodle without kimchi
That s enough

Have you forgotten where you are? You are a hostage it s not strange for you to d e at any time
There sn't much I can take your abuse

Or do you want me to touch you ?
Not a bad idea I'd say You are my type
You are a vrgn aren't you?
XX를 △▲▽▼해서 ○◎◇를 ★※♤♡♧하고 ☆Ā와 ■를 ▼▽▲한 후 ♠♥♧◘▶ 하는 거야
"All censored words"
You can't touch me Just unt e me
If you want me tape me then at least
You chose a wrong person to threat

That made me kind of immune to strange stuff but it certainly doesn't feel good to be kidnapped and tied like this
It kind of gives me a feeling of being treated with contempt I tried to get used to it But it simply doesn't
I seem to be an idol of perverts I've seen all kind of weird stuff and people
Ahah yes I really don't like this feeling
Shrimp noodle and kimchi right?
I will be back soon
You are going to leave me like this ?!
Hey wait!

I haven't been to washroom for a half day !
This is torturing !
Untie me at least !
If you can't handle me just let me go ! I won't tell them about you and go straight to home !
You are my prec ous
A rare beauty
I w ll be back soon
